# Joint Organization Data Initiative (JODI) – Data Collection in APEC

- JODI Oil
  - Submission: 19 of the 21 economies
  - Timeliness: Worsened a little bit in the first 8 months of 2012 but generally it has been improving from 2005.
  - Completeness: No improvement due to confidentiality and insufficient monthly data collection system
  - Accuracy: Generally good except for stock changes based on comparison with annual data
  - The quality assessment reports of the JODI Oil data were distributed to APEC member economies for their data consistency check and data availability analysis.
- JODI Gas
  - Submission: 19 of the 21 economies
  - Timeliness: 17 economies are able to submit M-1 during the last 3 months
  - Completeness: Only 9 of the 19 economies submit complete data
  - Accuracy: The methodology for accuracy check will be discussed at the coming 3<sup>rd</sup> Gas Data Transparency Conference to be held on 4-5 June in Bali, Indonesia.
- JODI Annual Data (Future Production Capacity Data)
  - Submission: 10 of the 21 economies in 2009 but only 5 economies in 2011
  - Regular annual update from 2012
